

# Swivel Tray Table

## Able Life

### What Does It Do?

Includes a tray table with a cup holder and utensil compartment. Tray table can swivel a full 360 degrees. Also includes a safety handle to the side of the tray table. The tray table height adjusts from 26 to 32 inches, support handle height adjusts from 34 to 40 inches, and base length adjusts from 20 to 36 inches.

### How Do I Use It?

Desk can be installed under the feet of a piece of furniture or placed to the side of where the individual commonly sits with a wheelchair. Assembly directions are included with purchase and no additional tools are required.

Use it however you want! The table can hold food, laptops, books, and anything else you might need a tray table for. When you're ready to stand, just swivel the tray out of the way and hold on to the safety handle for support.

### How Can It Help Me?

Impairment/Difficulty	How Swivel Tray Table Can Help	What To Do
Hemiparesis/hemiplegia	<ul style="list-style-type: none"> <li>● Safety handle: extra support once you are comfortable enough to stand or transfer</li> <li>● Easy swivel: can be manipulated with one hand</li> </ul>	<ul style="list-style-type: none"> <li>● When you are ready to stand or transfer, hold firmly onto the safety handle and complete the transfer or stand</li> <li>● When you are ready to use your tray, easily</li> </ul>

		swivel the tray towards you with one hand, and swivel away when you are done.
Paralysis	<ul style="list-style-type: none"><li>• Tray table can be adjusted to allow a wheelchair to fit underneath</li></ul>	<ul style="list-style-type: none"><li>• Place the table anywhere you often sit with your wheelchair (bedroom, dining room, living room, etc.)</li><li>• Example: if your wheelchair cannot fit under the dining room table, using this tray table allows you to still eat with your family, and it can be easily swiveled out of the way when you are not eating</li></ul>
